

Lab Sample Entry Checklist

Thank you for your expressed interest in a laboratory sample analysis. Please take a moment to complete the following steps.

- Fill out the sample analysis test questionnaire, located on the homepage of our website. Link: <http://www.jmcanty.com/particleanalysisitest/>
- Submit a copy of the SDS sheets for each type of incoming sample to lab.us@jmcanty.com
- Provide a *return* RMA# and shipping address to lab.us@jmcanty.com so we (Canty lab) may return the samples to you (the customer) after analysis is complete.
- Submit a hard copy of the PO or provide a CC order in the amount of \$675 to orderentry@jmcanty.com

Once the items above are received, a sample RMA # will be generated so you may ship your samples to our facility for testing. If you have any questions feel free to contact us via email: lab.us@jmcanty.com or via phone: (716) 625-4227
